

Name _____
Fire Department _____

1. Does your family have an escape plan?

Yes or No

1A. If yes, have you practice it?

Yes or No

1B. When was the plan last practiced?

2. Does everyone in the family know where the meeting place is?

Yes or No

3. Is there anyone who needs special assistance to escape the house?

Yes or No

3A. What is the plan for these people to escape the house?

4. Are your pets included in the escape plan?

Yes or No

4A. What is the plan for the pets?

Making the plan

- With the grid provided, create an escape plan for your household, include all members of family.
- Practice the plan.

1. What was your family's time in full evacuation of the house? (sound of alarm to everyone at meeting spot)

2. Were there any problems your family ran into practicing your plan? (alarms did not work, etc)

Escape Planning

Fire Department Phone #: _____

This image shows a full page of blank graph paper. It features a consistent grid of small squares formed by thin black lines. The grid covers the entire area of the page, leaving no margins or other markings. There are 20 columns and 20 rows of squares.

Use the grid above to prepare your fire escape plan. Draw a floor plan of your home, including all windows and doors and label each sleeping area. Indicate all working fire alarms, which should be located on every floor of your home and outside each sleeping area. Plan two routes of escape from every room and mark your family meeting spot, located safely away from your home. Post the escape plans on each level of your home and in locations where overnight guests and others can easily see it. Most importantly, practice your fire escape plan regularly, at least twice a year.
